OUT & ABOUT

WYFFELS PARK GETS A MAKEOVER AND A NEW NAME!

On Saturday, September 27, a group of residents living in the east Lincoln area participated in a volunteer clean-up of Wyffels Park. With assistance from the Woodburn Public Works Department, the volunteers collected and hauled away two truck loads of debris from Mill Creek and the surrounding park. Since Mill Creek runs through Wyffels Park, residents have asked the City to be more proactive in educating the public about the benefits of healthy streams and to increase enforcement against those who dump debris into local creeks.

A few months prior to the cleanup event, Woodburn resident Betty Stenger notified us that the City has been misspelling

the site as "Wyffle Park" for decades. She indicated that her father, Charles Wyffels, originally owned the site and donated it to the City in the 1960s as he developed "Wyffels Addition".

The City researched the original plot, planning commission minutes, correspondence between the Recreation and Park Board and the City, and the deed which conveyed the property to the City, all of which confirmed Betty's assertions. The name of the park was corrected and the new "Wyffels Park" sign was erected just in time for the cleanup event. Thanks for the tip off, Betty!

COMMUNITY SERVICES SCHOLARSHIP PROGRAM

The City of Woodburn recognizes that some residents require financial assistance in order to participate in certain recreational activities. Thanks to Woodburn Together a limited number of scholarships are available for those who qualify.

Please contact the Community Services Department office at 503-982-5264 for more information.

Carpet Replacement •

Monday, December 22 – Sunday, January 4

Message from the Manager

We are making some exciting improvements to the Library this year! You will notice when you first come through the doors in 2009 that we have a new carpet throughout the first floor of the Library! The new modular carpet will be easily replaceable as we encounter wear, or spills etc. in the years to come. Also, the new signage project continues as we enter the second phase of replacing our older signs with new banners to help in navigating the building and collection. We hope these improvements will make everyone feel more welcome at your Library! As far as programming goes, Woodburn Public Library joins many other Oregon libraries in participating in the Oregon Reads program this spring. This year "Oregon Reads" will be celebrating the book *Stubborn Twig*, by Oregon author *Lauren Kessler*, so stay tuned for happenings around *Stubborn Twig*. This book will also be featured in the new book club that started up again in December. There's always something going on at your Woodburn Public Library!
